

Invitation for Bids (IFB)

Issuing date of the IFB: 27/08/2015

PURCHASER: MH “Elektroprivreda RS” Matično Preduzeće AD - Trebinje

COUNTRY: Republic of Srpska / Bosnia and Herzegovina

PROJECT TITLE: SCADA/DMS/OMS/ on the Distribution Level

INFORMATION SYSTEM DESCRIPTION:

The IT system planned to be procured in this project consists of the SCADA/DMS/OMS computer components, application and system software, communication facilities and services including commissioning, testing and education to achieve these objectives as specified in the Bidding Documents.

The Supply shall consist of:

- An Energy Control Platform performing the electrical network data collection and data processing, to be installed in Purchaser’s Main and Back-Up Control Center and remote dispatch and operational maintenance workstations [two (2) virtual server stations and five (5) Regional Control Centers].
- Substation automation devices and telecommunication facilities enabling SCADA data collection from substations and facilitating interconnection between control center workstations and server systems

The supply shall furthermore comprise:

- The functional design and engineering for all architectures and system components
- The assembly, shipment, installation, commissioning and testing of material goods
- The provision of documentation and adequate training of Purchaser’s staff
- Implementation of Cyber Security
- The provision of long term maintenance services

Loan / Credit Number : BMZ no. 2006 65 604

IFB Title: Supply and installation of the SCADA/DMS/OMS on the distribution level and associated substation automation and telecommunication equipment

IFB Number: ERS-SCADA-2015-KfW

1. The MH “Elektroprivreda RS” has received loan from the KfW Bank toward the cost of the project “SCADA/DMS/OMS on the Distribution Level”, and it intends to apply this ***loan*** to payments under the agreement(s) resulting from this IFB: ***Supply and installation of the SCADA/DMS/OMS on the distribution level and associated substation automation and telecommunication equipment.***
2. The MH “Elektroprivreda RS” now invites sealed bids from eligible Bidders for the supply and installation of the SCADA/DMS/OMS system and associated substation automation devices and telecommunication links in order to provide effective support for the modernization of the operational processes within its business portfolio. The supply and installation period is 30 (thirty) months.
3.
